

# Cumulative Index to London productions 1981–2005

Entries take the form *year/page*. Successive page numbers within the same year are separated by commas; entries for different years are separated by semi-colons. (1981–1990 published as *London Theatre Record*.)

Where more than one play of the same title exists, the respective authors or other distinguishing features are appended in square brackets. Shows named after a principal performer are listed by that performer's surname.
